NOTES:

Established on April 10, 2002 in accordance with LAC 43:XIX.517. Approved by the Commissioner of Conservation on April 11, 2002.

Schedule based on ascending chronological order of initial site final approval by OC subdivided by 9 sites per year up to 6/30/2007.

Remaining sites as well as all other sites permitted during 2002 are scheduled for review in 2007.

The Commissioner of Conservation reserves the right to make any changes to the schedule as deemed necessary.
